

Recursion Software Inc. Privacy Notice

At Recursion Software, we are committed to protecting your privacy online. Our goal is to safeguard any personal information you provide to us. Personal information includes data that reasonably can be used to identify or describe an individual, such as name, address, phone number, and e-mail address.

Overview

Recursion Software may collect basic information about site visitors through our Internet access logs in order to learn about which pages and information our Web site visitors access and how often. We also collect user information when you voluntarily submit it to us. When we collect this type of information, we intend to use the information to determine how we can meet your needs and best respond to your requests.

Cookies

The Recursion Software web site, and other web sites maintained by Recursion Software, may create a small data file, or cookies, on the hard drive of your computer. Cookies are small files of information, which save specific information about your visit. The cookies may be used only to assist in producing overall site visitor statistics and do not serve to describe individual users. Cookies, by themselves, cannot be used to find out the identity of any user. If you are uncomfortable regarding the use of cookies, you can disable them on your computer by changing the settings in your browser but you may experience diminished or nonfunctioning navigation within the Careers section.

Recursion Software will not share user information to third-parties, unless (1) we have obtained your consent, (2) reasonably necessary to protect our rights or the rights of other users of the Recursion Software web site other web sites maintained by Recursion Software, (3) required by law or public authorities, or (4) as part of the sale of Recursion Software or a business unit of Recursion Software. If you have voluntarily submitted user information to us through an e-mail or contact form, Recursion Software maintains your security by ensuring the information is only distributed only within Recursion Software. This enables us to respond to your request about a product or service. If you subscribe to an e-mail list, you will be given instructions on how to remove yourself from that list.

The Recursion Software web site may provide links to other third party web sites. Even if the third party is affiliated with Recursion Software through a business partnership or otherwise, Recursion Software is not responsible for the privacy policies or practices or the content of such external links. These links are provided to you for convenience purposes only, and you access them at your own risk.

We continue to review our policies and procedures and Recursion Software reserves the right to change this Privacy Policy without notice at any time and from time to time, including as needed to comply with applicable local, state, and federal laws and regulations.
